

STUDENTS IN FOSTER CARE-

Premier Charter School Policy

The purpose of this policy is to provide foster care students with educational stability and remove barriers to, and provide opportunities for, academic excellence for foster care students. In order to achieve this purpose, the school will work collaboratively with the Missouri Department of Elementary and Secondary Education (DESE) and the Children's Division (CD) of the Missouri Department of Social Services.

Definitions

Foster Care: Twenty-four-hour substitute care for children placed away from their parents/guardians and for whom the CD has placement and care responsibility. This includes, but is not limited to, placement in foster family homes, foster homes of relatives, group homes, emergency shelters, residential facilities, childcare institutions and pre-adoptive homes, regardless of whether the home, shelter, facility or institution is licensed or receives payments from the state.

Foster Care Student: Any pre-K-8 student who is residing in a foster care setting in this state or who is awaiting foster care.

School of Origin: The school or preschool in which the student was enrolled at the time of placement in foster care. If the student's placement changes, the school of origin is the school or preschool in which the student was enrolled at the time of the change.

Liaison

The district designates the following individual as the liaison for foster care students:

Martha Gray M.Ed, LPC, RPT, CTP-E

5279 Fyler Ave 314-645-9600 ext. 410

The liaison will provide assistance regarding all aspects of the enrollment, placement, transfer, and withdrawal of children in foster care and serve as the point of contact for DESE and the CD. The liaison will also work with DESE and the CD to implement the district's complaint resolution process.

Enrollment and Placement of Foster Care Students

Students located within the St. Louis city limits will continue at Premier Charter School, as the "school of origin" unless it is not in the best interest of the student to do so. A student placed in the school of origin will remain in the there for the duration of the time he or she is in foster care or it is deemed not in their best interest. Premier Charter School

will immediately enroll a student in foster care, even if the student is unable to produce records normally required for enrollment, and will contact the school of origin to obtain relevant records.

Best-Interest Determination

Placement

Within three days of the student enrolling, the liaison will consult with staff to determine which placement is in the best interest of the student. The meeting or consultation will include a representative of the CD; the foster parents; the parents/guardians and student, if appropriate; and any other person requested by the student, the foster parents or the CD who has a special relationship with the student. These individuals will be considered the best interest determination (BID) team and will determine the best placement for the student. If the BID team cannot reach a consensus as to the best placement, the representative from the CD will make the final determination.

The district of placement may bill the district of residence for local tax effort in accordance with law.

Dispute Resolution

If the parent/guardian, foster parent, student or educational decision maker disputes that the placement assigned by the BID team or CD is in the student's best interest, he or she may contact the liaison in an effort to resolve the dispute. If the liaison is not able to resolve the dispute, the parent/guardian, foster parent, student or educational decision maker may request a conference with the Head of School and/ or the Premier Charter School Board. If the Head of School or School Board is unable to resolve the dispute, the parent/guardian or educational decision maker may appeal the placement to:

State Foster Care Coordinator P.O. Box 480 Jefferson City, MO 65102-0480 (573)
751-4192

Transportation

If the BID team determines that the school of origin is the best placement for a foster care student, the student will be transported to the school of origin in accordance with the transportation plan developed in collaboration with the CD. Transportation will be provided in a cost-effective manner and in accordance with law. The BID team will also determine the best way to transport the student. Options include a cab, medical van, bus pass for student only or bus pass for students and family member. It is the policy of Premier Charter School that we will not transport children younger than 10 in a cab alone. A parent or guardian must ride with them to school and home again at end of day. Premier Charter School will not transport parent additionally.

Transportation Disputes

Disputes over transportation will be handled in the same manner as disputes over placement.

Records

The foster care liaison will provide foster parents and other legal guardians access to student records. In accordance with law, the district will allow a child placement agency access to a foster care student's records for the purposes of assisting the school transfer or placement of a student and fulfilling educational case management responsibilities required by the juvenile officer or by law.

The liaison and School registrar will ensure that student records are properly transferred between Premier Charter School and any other district from or to which foster students transfer. When a request involves a foster care student, the registrar will:

1. Respond within three business days to a request for records by another district, and
2. Request records from other districts within two days of enrolling a student.

Attendance

If a student in foster care is absent from school due to a decision by a court or child-placing agency to change the student's placement or due to a verified court appearance or related court-ordered activity, the grades and credit of the student will be calculated as of the date the student left school, and the district will not lower the student's grade as a result of absence under these circumstances.

Programs and Activities

The district will encourage foster care students to participate in extracurricular activities and assist them in joining extracurricular activities. Foster care students are automatically eligible for participation in the district's free nutrition program.

Graduation

In order to facilitate timely graduation of foster care students, the district will:

1. Waive specific courses required for graduation if similar course work has been satisfactorily completed in another school. If such course work is not waived, the district will provide reasonable justification for the denial.
2. Accept the results of exit exams, end-of-course exams, nationally norm-referenced tests or alternative testing from another school to satisfy district testing requirements related to graduation.

3. Accept for credit full or partial course work completed at the previous school attended in accordance with district policy.
