Benchmarks for Evaluation

Title 1.A Funds Uses at PCS

- Recruitment and retention of effective teachers, particularly in high-need subjects.
- Instructional coaches to provide high-quality, school-based professional development
- Evidence-based strategies to accelerate the acquisition of content knowledge for English learners
- Counseling, school-based mental health programs, mentoring services, and other strategies to improve students' nonacademic skills.
- School climate interventions (e.g., anti-bullying strategies, anti-racism and anti-bias programming, etc.).

Title 1.A Funds Uses at PCS

- Equipment, materials, and training needed to compile and analyze student achievement data to monitor progress, alert the school to struggling students, and drive decision making.
- Response-to-intervention strategies intended to allow for early identification of students with learning or behavioral needs and to provide a tiered response based on those needs.
- Activities that have been shown to be effective at increasing family and community engagement in the school, including family literacy programs
- Devices and software for students to access digital learning materials and collaborate with peers, and related training for educators (including accessible devices and software needed by students with disabilities).
